Dear Paul:

I very much enjoyed our meeting on October 1, 1993, to discuss unmet mental health needs of victims of destructive cult experience. Enclosed, as promised, is the application of the American Family Foundation (AFF) for a seed money grant, in the amount of \$180,000, to develop a Health, Rehabilitation & Redress Plan for Policy Representation at the Federal Level of Cult Victims' Unmet Needs. As the application states, I will be the Project Director.

Please let me know if you have any questions about this AFF application.

Faithfully,

David J. Bardin
