Dear David:

I am pleased to inform you that the Cult Awareness Network has been approved as a new member of the Mental Health Liaison Group (MHLG). We welcome CAN and look forward to its participation.

As you learned at the recent MHLG monthly meeting, the American Family Foundation was unfortunately not found to meet MHLG membership criteria. Since you have expressed interest in resubmitting its membership application, we will certainly keep AFF on the mailing list. Should AFF choose not to reapply for membership, it may remain on the mailing list and continue to participate as an observer of MHLG plenary sessions, such as the monthly meeting, on a permanent basis.

Enclosed you will find a copy of the 1993 MHLG Directory. If you have any questions, let me know.

Sincerely,

Leslie J. Scallet
Chair
