Dear Cynthia:

Your letter to Richard D. Wood has been forwarded to me. Thank you for taking the time to further describe your Network and its role in addressing the cult issue.

Given our recent experiences, we can appreciate the difficult job that your organization faces in promoting public awareness concerning various cults. The materials you sent were most informative.

You have been most helpful to us in the past, and we certainly appreciate the support you have provided. We believe that through this cooperation we have opened a channel of communication with you and your organization that has been beneficial.

Occasionally, I am in Chicago on business and perhaps on one of these trips, we could schedule some time to get together and discuss the Network. Should you have urgent items that you need to discuss with me, please do not hesitate to call me. My telephone number is 317-276-3655.

Again, Cynthia, thanks for taking the time to write to us and let us know more about your organization. We appreciate your offer to meet with us. I look forward to talking with you in the future.

Sincerely,

ELI LILLY AND COMPANY
