Dear Corey:

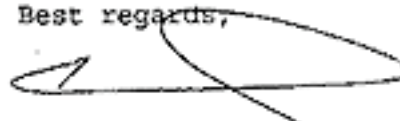

I have your letter of August 8. Yes, I am also sorry we do not talk and communicate more often.

I appreciate all your efforts for AFF and ICEP and I do recognize that CAN, AFF and ICEP are supplementary organizations in the main. However, we at AFF, have been uniquely careful in our statements to the public to hold ourselves one of a group of organizations with similar purposes and philosophies. We believe it important also that with the professional stature we maintain, we assert our legal independence from CAN while not stinting on mutual support.

What concerned me in your letter was that a number of people seem to believe AFF is a division of CAN and not a separate organization and your letter may have inadvertently fostered that confusion.

I wish you well and did not mean to make a big deal of this, but I think it is important.

Best regards,

Herbert L. Rosedale
