Barcelona, 25th April, 1991

Dear friends,

On 13th and 14th April we held a meeting in Barcelona together with the associations which agreed to work on the "International Congress Planning Committee".

These groups present at the meeting were: AGPF from Germany (Bonn) represented by Mr Heinemann, who also represents the S.A.L.K. from Zurich; the Roger J. Ikor Center from France (Paris), represented by Mr. Jean Van Ende; CAN from USA, represented by Mr. Lenz; and AIS PRO-JUVENTUD and CROAS from Spain (Barcelona), represented by Mrs. M^{re} Rosa Boladeras, Mr. E. Sagnier and Mr. J.M^a Jansà.

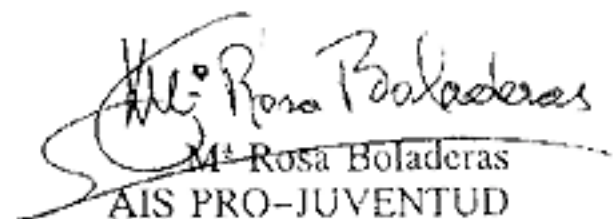

The other three members of the committee, CAN and AFF from the USA, and CPAC from Israel excused their assistance. The Americans gave us their approval and their suggestions, since we had already had some contacts by phone or by writing through Mr. Lenz of CAN and Mr. Langone of AFF in order to reach some agreement.

We would like to remind you of the antecedents of that meeting. As most of you probably remember, in November 1990 we sent 29 questionnaires, of which 12 were answered: 11 agreed to participate and only 5 of them agreed to belong to the committee.

However we believe that everybody should express their opinion in the elaboration of the subjects. We would appreciate to know what you think.

Sincerely,

J.M^a Jansà
